Technical Data

Installation Height	Min. 1.8 m, EN16005 up to 3m, max. m
Connection Type	3 m cable with plug connector
Housing Material	ABS / PA
Dimensions	252 x 61 x 51 mm
Protection Class	IP54
Technology	Active infrared (AIR) & radar
Supply Voltage	11.5 ... 32 V DC
Current	max. 120 mA at 24 V
Inrush Current	max. 240 mA
Product Code	#6049-0742
